| K/M 10052.000.55 | Music stand                  | The standard music stand 10050 in extra-long – i.e. extra tall. With a height of 640 - 1.500 mm, this tall music stand is well suited for standing musicians, particularly for tall musicians. The clamping elements for height adjustment and the adjustable head made of zinc-die cast material are extremely robust and provide the required stability and sturdiness for this music stand. The legs can be adjusted according to the musician's individual needs. The powder coating is non-abrasive and durable. The music stand is collapsible and easy to transport. | black           | 1 pcs. | 4016842827305 | normal | £ 39.25        |
| K/M 10062.015.55 | Music stand »Robby Plus«     | This music stand is equipped with an expandable music desk. Both music rests can be expanded to the right and the left and together with the additional sheet music holder provide for the viewing of 4 DIN A4 sheets of music next to each other. The comfortable angle is facilitated through very fine zinc-die-cast teeth. The expandable music desk collapses to a small and easy to transport size.   | black           | 1 pcs. | 4016842827855 | normal | £ 54.42        |
| K/M 10065.000.11 | Music stand                  | Big & beautiful, three-piece folding music stand with large, deep desk.   | nickel-colored  | 1 pcs. | 4016842824823 | normal | £ 42.44        |

|------------------|---------------------------------|--|-----------------|---------|---------------|--------|----------------|
| K/M 11510.000.55 | Sheet music and document holder | The position (angle) and depth to the stand tube of the tilting 300 x 200 mm sheet music holder is adjustable. The music desk has a depth of 30 mm. The flexible clamp makes it easy to mount the holder in a wide variety of directions. The clamp can be attached to tables (0 to 48 mm thickness). The sturdy metal frame of the clamp is equipped with high-quality plastic inserts and the non-slip coating ensures that the clamp provides a secure and powerful hold. Thanks to the specially formed clamping surface, the clamp can be used on flat surfaces such as tables or shelving, as well as on round tubing. The holder is collapsible for easy transport.   | black           | 1 pcs.  | 4016842827374 | normal | £ 44.61        |

| K/M 11590.000.55 | Sheet music holder              | The alternative to clothes pegs holding sheet music in place – unobtrusive, virtually invisible and simple to use. This patented sheet music holder resulted from the schools' talent competition "Creative Minds 2011" and was awarded first prize by the jury. The holder consists of a base section with integrated magnets, which is secured under the sheet music rest. The two caps at the ends of the transparent rubber lace are plugged onto the ends of the opened-out sheet holder on the sheet music rest. Opened sheet music books, folders, etc. are held securely, unaffected by the wind. Music and text can be read through the transparent lace and the pages can still be turned. The sheet music holder is suitable for the music stands with collapsible desk from König & Meyer's product groups »Baseline« and »Topline«. The small sheet music holder can be transported folded, while on the stand. | black           | 1 pcs.  | 4016842822959 | normal | £ 8.03         |

|------------------|--|---|-----------------|--------|---------------|--------|----------------|
| K/M 11900.000.55 | Sound insulation stand                         | In keeping with the European Union directive on noise abatement aimed at orchestras, the concave plexiglass shield provides hearing protection for the musician stationed in front of other performers. The stand can be used on both sides, depending on requirements. The stable tripod construction affords safe usage and a long product life. The shield's practical prismatic »V-block« connector makes it quick and easy to connect to the stand.  | black           | 1 pcs. | 4016842817207 | normal | £ 147.73       |
| K/M 11930.000.55 | Orchestra music stand<br>»Overture«            | Stackable orchestra music stand with a contemporary look. This music stand has been specially designed for venues such as schools, concert halls, halls etc. It is absolutely ideal for whenever several orchestra music stands need to be set up and cleared away quickly or when storage space is limited. The minimum stacking distance is only 70 mm. Height adjustment is very easy by just using the clamping lever. The tension of the lever can be adjusted to your needs. The height can be continuously adjusted between 760 and 1300 mm. The angle of the music stand desk can also be adjusted continuously. Trolley 11935-000-55 for up to 12 orchestra music stands is also optionally available for transport and storage. | black           | 1 pcs. | 4016842828524 | normal | £ 80.29        |
| K/M 11935.000.55 | Wagon for orchestra music stands<br>»Overture« | Very solid and robust transport wagon for up to 12 »Overture« orchestra music stands. The wagon is fitted with 2 castor wheels with locking brakes as well as 2 heavy-duty castors. Different design features as well as a safety cord prevent the stand from tipping. When unloaded, the wagon can also be stacked to save space.  | black           | 1 pcs. | 4016842828852 | normal | £ 459.79       |
| K/M 11936.000.55 | Storage box for wagon                          | Useful supplement for orchestra music stand wagon 11935. Tools and accessories are safely and tidily stored in the practical storage box. Thanks to the covered recessed handles, the storage can be easily put on and taken off the wagon's frame.   | black           | 1 pcs. | 4016842830206 | new    | £ 59.77        |
| K/M 11937.000.00 | Cover for wagon                                | Cover made of wear-resistant nylon. Protects your music stands 11930 from dust and dirt until the next concert.   |                 | 1 pcs. | 4016842830480 | new    | £ 24.09        |
| K/M 11940.000.55 | Orchestra music stand                          | Powder-coated, perforated steel music stand with plastic connecting elements. The music stand rest can be attached and removed using the plastic, user-friendly, quick-release lock. There is a large, easy-to-use wing nut making adjustment of the tilt easy. The stand can be freely adjusted to any height using the non-scratch tension sleeve.  | black           | 1 pcs. | 4016842823550 | normal | £ 51.74        |
| K/M 11960.000.55 | Orchestra music stand                          | Stable orchestra music stand made out of steel. Connecting parts made out of durable plastic. The music desk can be removed and attached easily with its user friendly and practical quick release mechanism. A large wing nut makes it easy to adjust the angle. The music desk can be adjusted variably by a clamping sleeve that protects the surface.   | black           | 1 pcs. | 4016842828067 | normal | £ 51.74        |
| K/M 12120.000.55 | Orchestra music stand                          | A lightweight orchestra music stand with collapsible music desk made of plastic; perfect for mobile use. | K/M 14000.000.02 | Drummer's throne »Gomezz«    | Professional drummer's throne: stable, foldable 3-leg base with fixed large rubber end caps for good floor contact and shock absorption. Continuous height adjustment by a notched system with 10 mm steps for a quick and precise height positioning. Locking height adjustment mechanism features a comfortable pull-button and handy clamping lever. Very sturdy and unique rod combination. The detachable seat features an innovative die-cast flange. The seat is wobble-free thanks to a clamping lever which permits a seat rotation from loose to fixed position. The ergonomic seat reduces pressure on the drummer's thighs. Perfect comfort from sophisticated upholstery in black, high quality grained soft imitation leather. As a world-wide first, this drummer's throne has 4 threaded screw sockets on the bottom side of the seat to attach a ButtKicker. | chrome                  | 1 pcs. | 4016842812721 | normal | £ 240.16       |
| K/M 14003.000.00 | Carrying case                | Sturdy carrying case for drum throne »Gomezz« 14000. Tearproof nylon material, water-resistant. The case comes with padded handles and an adjustable shoulder strap. Plastic rubber feet protect the bottom of the case. 2 internal compartments separate base from the seat.   |                         | 1 pcs. | 4016842822119 | normal | £ 46.57        |
| K/M 14005.000.02 | Backrest for »Gomezz«        | Stable and comfortable backrest for the drummer throne »Gomezz«. The comfortable oval backrest is upholstered with durable imitation leather. The height and depth of the backrest adjustment is variable using the knurled screws. Included in the delivery is the backrest holder which is screwed onto the seat.   | chrome                  | 1 pcs. | 4016842101030 | new    | £ 77.61        |
| K/M 14010.000.02 | Drummer's throne »Piccolino« | Low Rider! The smallest drum throne in the K&M series really does have depth. With a height adjustment from 363 – 453 mm, it is the ideal companion for drummers who prefer lower seating. It's great for children too. There is a simple-to-use clamp with a patented push-button system for fine height adjustment in 15 mm steps. A comfortable clamping lever functions to provide extra stability and snug positioning. The small footprint diameter of 430 mm is ideal when space is restricted and is also a feature contributing to the stability of the throne. The comfortable cushioned seat with a durable, tough imitation leather cover has a diameter of 300 mm and does an excellent job - even when you're playing over long periods of time. The rotational stiffness can be freely adjusted from easy to taut.   | chrome                  | 1 pcs. | 4016842824113 | normal | £ 95.99        |
| K/M 14015.000.55 | Drummer's throne             | Sturdy, professional drum throne with foldable 3-leg base. Wide base for added stability. |------------------|---------------------------|--|-------------------------|--------|---------------|--------|----------------|
| K/M 14020.000.02 | Drummer's throne »Picco«  | The »Picco« drummer's throne is a good choice, not just for the beginner, but for the advanced player too. A unique clamp with a patented push-button system affords user-friendly height adjustment. The handy clamping lever provides additional stability and a precisely fitted position. The stable double-braced steel leg construction with large floor protectors is the soul of this robust and reliable introductory model. The height is adjustable in 15 mm intervals from 481 to 661 mm. The small footprint with a diameter of 540 mm makes the throne ideal when space is at a premium – and it is nonetheless stable. The comfortable upholstered seat with a durable, non-slip leather cover and a diameter of 300 mm does a great job, even when used over long periods of time. The swivel feature can be adjusted from smooth to stiff using the easy-to-use wing nut. | chrome                  | 1 pcs. | 4016842823734 | normal | £ 101.52       |
| K/M 14030.000.02 | Drummer's throne »Grande« | The »Grande« drummer's throne is an all rounder, demonstrating comfort and excellent stability. The tried-and-tested precision height adjustment mechanism with a ratchet knob and clamping lever allows height adjustment at 10 mm intervals. The stable double-braced steel leg construction and robust floor protectors provide a good grip. The comfortable upholstered seat (ø 330 mm) with a durable, resistant cover makes fatigueless playing for hours possible. The swivel feature can be adjusted from smooth to stiff using the easy-to-use wing nut. Height can be adjusted from 490 to 690 mm. Medium footprint of 620 mm provides good stability even when space is at a premium.   | chrome                  | 1 pcs. | 4016842823741 | normal | £ 132.92       |

|------------------|------------------------|---|-----------------|----------|---------------|--------|----------------|
| K/M 15580.000.55 | Violin holder          | For use in the concert hall, music school or at home, the new König & Meyer violin holder for music stands keeps your instrument easy to hand. The holder can be mounted on all tubes to max. 30 mm diameter using the steel clamp with protecting rubber pads. The violin is clasped at the curved end of the peg box to prevent inadvertent adjustment of the pegs. The depth of the holder means it is virtually impossible to remove the instrument inadvertently nor can it fall from the holder. The bow holder integrated at the side perfectly complements the flexible holder. The durable flocking cover and additional Velcro protector protect the violin finish and prevent damage from bumps or knocking. | black           | 1 pcs.   | 4016842820931 | normal | £ 26.94        |
| K/M 15590.000.55 | Ukulele holder         | This practical ukulele holder is flexible and easy to mount. The clamp can be attached to any tube with a diameter ranging from 7 to 30 mm. Thanks to the rubberized support arms the instrument is safe and protected. The ukulele holder is suitable for all common models.   | black           | 1 pcs.   | 4016842827275 | normal | £ 17.13        |
| K/M 15700.000.55 | Trumpet holder         | Attaches to music stands. Clamp adjustable to 30 mm. Support arm covered with non-marring material to protect the instrument.   | black           | 1 pcs.   | 4016842820696 | normal | £ 14.63        |
| K/M 15715.000.55 | Trumpet holder         | Attaches to stands up to diameter of 30 mm. Black felt-covered peg to protect the instrument.   | black           | 1 pcs.   | 4016842820252 | normal | £ 19.45        |
| K/M 15910.000.55 | Mute holder            | The practical and flexible holder for 3 mutes can be attached onto tubes with a diameter of 7 to 30 mm. The holder is suitable for all common mutes for trumpets, cornets and Flugel horns. The individual holder rings (2 large sized, 1 small sized) are completely rubberized to protect the mutes from scratches and collapses for an easy transport.   | black           | 1 pcs.   | 4016842827312 | normal | £ 24.98        |
| K/M 15915.000.55 | Mute holder ring       | Additional holder ring with a large diameter (95 mm) is available for the expansion of Mute Holder 15910. The holder ring is completely rubberized, ensuring that the mute is safe and protected.   | black           | 1 pcs.   | 4016842827824 | normal | £ 9.81         |
| K/M 16015.013.55 | Ashtray                | Practical ash tray with sliding cover. It can be clamped onto all common music and microphone stands with tube diameters up to 30 mm.   | black           | 1 pcs.   | 4016842826247 | normal | £ 23.02        |
| K/M 16020.000.55 | Drink holder           | Attaches to any stand (microphone, music or instrument) with tubing diameter up to 30 mm. Holds bottles, cans & glasses.  | black           | 1 pcs.   | 4016842110056 | normal | £ 12.31        |
| K/M 16022.000.55 | Universal drink holder | Solid holder for bottles, glasses and cups with maximum diameter of 100 mm.   | black           | 1 pcs.   | 4016842816552 | normal | £ 19.98        |
| K/M 16060.000.55 | Sheet music clip       | Useful accessory to hold sheet music, notes, reports etc. to music stands. 4 pieces in a poly bag.  | black           | 4 pcs.   | 4016842803910 | normal | £ 3.93         |

Suitable for all pencils with a diameter of 6 to 7.5 mm.   | black           | 1 pcs. | 4016842829385 | normal | £ 3.75         |
| K/M 16200.000.55 | Guitar wall mount                 | Like the 161, but with two fastening points, covered support arms.   | black           | 1 pcs. | 4016842818747 | normal | £ 11.95        |
| K/M 16220.000.95 | Guitar wall mount                 | Attractive and functional, the guitar wall mount with wood elements not only looks good, but is also a reliable and practical way to display your guitar, or store it until your next gig. The holding fork with its stable metal core is seated centrally and provides an elegant counterpoint to the headstock. The appealing cork fork covering protects the guitar from knocks, and will retain its form even after years of use due to wear-resistant properties. An integrated metal batten in the wall plate ensures the hanger is optimally secure and has a reliable grip.  | cork            | 1 pcs. | 4016842823246 | normal | £ 14.99        |
| K/M 16235.000.55 | Guitar wall mount                 | Screw-mount. Adjustable for right or left facing. Support arms covered with non-marring rubber to protect the instrument.  | black           | 1 pcs. | 4016842818020 | normal | £ 17.84        |
| K/M 16240.000.55 | Guitar wall mount                 | Screw-on type wall mount which accommodates a wide variety of guitar shapes. Features a patented flexible hooking-in and clamping system which quickly and firmly grasps the guitar neck. Studs at support arms provide extra protection. Support arms are covered with non-marring rubber to protect the instrument. Mounting plate made from high quality plastic material.  | black           | 1 pcs. | 4016842816255 | normal | £ 15.34        |
| K/M 16250.000.55 | Guitar wall mount                 | The new guitar wall mount caters for all your needs. The thick rubber covered support arms are safe and secure for all types of guitar. The arms are adjusted individually and are suitable for guitars with asymmetric necks. The wall mount closes under pressure to clamp around the neck of the guitar. The holder guard cams provide additional locking and prevent the guitar from turning in the holder. The wall mount is robustly constructed, but nonetheless low weight and requires minimal space to mount.  | black           | 1 pcs. | 4016842820115 | normal | £ 12.85        |
| K/M 16255.000.55 | Guitar wall mount                 | Features flexible support arms for various guitar models, covered with exclusive non-marring plastic material to protect the instrument. Screw-mount, adjustable for right or left facing.   | black           | 1 pcs. | 4016842818037 | normal | £ 25.69        |
| K/M 16280.000.55 | Guitar wall mount                 | Our best guitar-holder. Screw-mount. Features flexible support arms for various guitar models, covered with non-marring rubber to protect the instrument.  | black           | 1 pcs. | 4016842109203 | normal | £ 7.47         |

| K/M 17513.016.00 | Three guitar stand »Guardian 3« | The »Guardian« holds 3 guitars securely, saves space and allows you an easy overview of your guitars. Ideal for use in the studio, on stage in a shop or at home. No matter whether you have acoustic, electrical or bass guitars, the special instrument-compatible supports protectively hold max. 3 guitars. The protective bars stop the guitars from rotating and prevent inadvertent removal or knocks or bumps when taking the guitars from the stand or placing them. The soft pads made of high quality thermoplastic elastomer have cushioning characteristics. Therefore they protectively take the weight of the guitar and avoid damages of the instrument. The innovative folding mechanism used on the »Guardian« allows the stand to be carried easily and it can be left standing upright. Highly flexible, sub-divided support arms with integrated pick holders mean the guitar can be held from either side (right or left) and that the strings are untouched. The structural design allows the »Guardian« to be positioned against a wall. The »Guardian« is available entirely in black or with translucent (colorless) elements made of high quality Elastomer plastic, which are suitable for all kind of guitar lacquers, including nitro lacquer. Discoloration from the stand to the guitar does not occur. | black with translucent support elements | 1 pcs. | 4016842828913 | normal | £ 138.28       |

| K/M 17525.016.00 | Five e-guitar stand »Guardian 5« | The Guardian securely holds up to 5 E-guitars or base guitars, saving space. Specially adjusted and cushioned instrument supports and the flexible protective arms provide a secure grip. The Guardian is easy to transport and carry thanks to an innovative folding mechanism. It can be stored in an upright position. The individual upper support brackets with integrated pick holders allow the guitars to be placed either on the right or left side, and also ensure that the guitar strings are not touched. For mobile use castors can be mounted optionally. The translucent (colorless) elements made of high quality Elastomer plastic are suitable for all kind of guitar lacquers, including nitro lacquer. Discoloration from the stand to the guitar does not occur.   | black with translucent support elements | 1 pcs. | 4016842828951 | normal | £ 161.83       |
| K/M 17534.016.00 | Four guitar stand »Guardian 3+1« | The Guardian keeps one acoustic and 3 electric guitars safe, saves space and keeps instruments clearly arranged for musicians. Special cushioned pads ensure secure, anti-scratch storage of guitars. The flexible protective bars stop the guitars from turning and protect them from unintentional knocks when being picked up or put down. Thanks to its innovative folding mechanism, the Guardian can be carried comfortably and even be stored upright. Highly flexible arms with integrated pick holders protect the guitars and guarantee "unobstructed" strings. Its advantageous slim means that the Guardian can be positioned right next to the wall to save space. In addition, the translucent elements prevent discolouration of nitro lacquer guitars by the stand. An optional caster set 17510 is also available for additional mobility.  | black with translucent support elements | 1 pcs. | 4016842829552 | normal | £ 150.59       |

| K/M 18814.000.55 | Adapter                        | With the adapter the table-style keyboard stand »Omega« 18810 can be extended even further. The microphone boom arm 18956, the music holder 18958, the iPad holder 18816 or the universal holder 18817 can be quickly and easily mounted onto the stand.   | black           | 1 pcs. | 4016842820917 | normal | £ 17.13        |
| K/M 18815.000.55 | Laptop holder                  | This newly designed holder for the keyboard tables »Omega« 18810, 18950 and 18953 provides a good view of your laptop. You won't find a more versatile laptop holder. There are 8 different tilt positions for the laptop support. In addition the holder can be attached to any of the legs of a keyboard stand. The adjustable stop pins mean the laptop connections are always accessible. The support shelf is also suitable for small items of equipment, e.g. an iPad.   | black           | 1 pcs. | 4016842821198 | normal | £ 123.11       |
| K/M 18817.000.55 | Universal holder               | Useful accessory for the table-style keyboard stands »Omega« 18810, 18950 and 18953. With the correct adapter the universal holder can be mounted to the table-style keyboard stands: 18814 for »Omega«; 18954 for the 18950 and 18953 (this is only required, if an accessory is already mounted to the existing support tubes). The height of the vertical tube can be adjusted individually choosing from 8 positions. The 3/8" threaded connector connects other accessories, such as boom arm, gooseneck, iPad holder, Tablet PC holder etc.  | black           | 1 pcs. | 4016842827008 | normal | £ 26.23        |
| K/M 18818.000.55 | Sheet music and concept holder | Attaches to keyboard/stage piano stand 18950 or 18953 and together with the adapter 18814 to the table-style keyboard stand »Omega« 18810. The height adjustment provides eight steps to choose from. The music desk is 296 mm high and 416 mm wide. The music desk can be removed separately with the sturdy K&M prismatic "V-block" connector.   | black           | 1 pcs. | 4016842828708 | normal | £ 58.17        |
| K/M 18819.000.55 | Controller keyboard tray       | The sturdy aluminium tray offers new uses for the »Omega« keyboard stand. The rest on the upper tray arms of the stacker 18813 provide space for small synthesizers, controllers, drum machines etc. The angled stop with padded edges and the included rubber rests prevent small devices from moving. The tray weighs only 1.6 kg.   | black           | 1 pcs. | 4016842828975 | normal | £ 48.35        |
| K/M 18825.000.55 | Equipment stand                | Practical all-rounder stand! The equipment stand 18825 is very versatile. Whether it is used for a mixer, monitor, keyboard or amplifier, equipment is secure on our stable stand. Setup is uncomplicated - without the use of tools. The height of each support arm can be adjusted between 660 mm and 915 mm with the help of user-friendly clamp-screws. Both of the front rubber end caps can be adjusted on their axis and as such can be adjusted perfectly to the equipment width. Simple handling and transport-friendly package dimensions make this stand ideal for travel. Typical for K&M is the solid workmanship and the durable steel construction.   | black           | 1 pcs. | 4016842825707 | normal | £ 119.59       |

| K/M 18851.000.00 | Carrying case                    | To store and transport keyboard stand »Spider« 18850 and »Spider Pro« 18860. Waterproof sturdy nylon fabric. Features wrap-around zipper and 2 nylon handles.   |                   | 1 pcs. | 4016842806348 | normal | £ 34.61        |
| K/M 18853.000.55 | Adapter for »Spider Pro«         | More options for your »Spider Pro« or »Baby Spider Pro«: The metal adapter plate is simply mounted under the plastic cover. The 3/8" threaded bolt connection expands the range of Spider Pro uses. You can also securely attach heavy booms and sheet music holders.   | black             | 1 pcs. | 4016842825677 | normal | £ 16.77        |
| K/M 18860.000.30 | Keyboard stand »Spider Pro«      | The »Spider Pro« is the further development of the »Spider« keyboard stand. The »Spider Pro« is equipped with a pair of extendable support arms, as well as an additional pair of extendable support arms with a 15° tilt angle. The »Spider Pro« can be fitted with additional support arms for a third keyboard. The »Spider Pro« also has a 3/8" or 5/8" threaded connection for attaching microphone booms. The tilt of the »Spider Pro« is greater than that of the »Spider« to allow easier playing when two keyboards are being used. On top of this, the »Spider Pro« also provides optimum leg movement thanks to the raised design of its feet, continuously variable height adjustment and a special mechanism for collapsing the stand as well as easy carrying of the stand in the bag, which is available as an optional extra. | anodized aluminum | 1 pcs. | 4016842807833 | normal | £ 360.06       |

| K/M 18872.300.55 | Extension rod                      | In combination with threaded bolt set 18864 to mount microphone booms to the »Baby-Spider Pro« 18840 and »Spider Pro« 18860 keyboard stands when the laptop rest 18868 is installed. The combination of laptop rest and boom arm is only applicable with laptops up to 15" maximum screen size.  | black             | 1 pcs. | 4016842823659 | normal | £ 16.59        |
| K/M 18873.300.55 | Universal holder for »Spider Pro«  | The practical add-on for all »Spider Pro« and »Baby Spider Pro« models: Thanks to the unique bracket with the quick clamp system the universal holder can be easily attached to the »Spider« column. The holder height adjustment is variable. The 3/8" threaded bolt connection significantly expands the range of »Spider Pro« and »Baby Spider Pro« uses.   | black             | 1 pcs. | 4016842826476 | normal | £ 29.62        |
| K/M 18876.000.55 | Controller keyboard tray           | The stable aluminum tray creates new uses for the »Spider Pro« keyboard stand. By placing the tray on the upper support arms of the »Spider Pro« now even smaller synthesizers, controllers, drum machines etc. can be used. The integrated handle can also be used for cable management. The equipment stop with an integrated edge protective strip and the anti-slip rubber end caps provide extra hold. And to top it off the tray only weighs 1 kg.       | black             | 1 pcs. | 4016842827619 | normal | £ 43.36        |
| K/M 18877.000.55 | Lectern desk for the »Spider Pro«  | With this aluminum sturdy desk you can convert your »Spider Pro« keyboard stand easily into a lectern. The lectern desk is simply placed on the angled upper support arms. Side lashes attach to the desk and ensure that it does not slip. The desk is equipped with integrated edge protectors and provides enough space for two side by side DIN A4 sheets.   | black             | 1 pcs. | 4016842827817 | normal | £ 43.36        |

|------------------|---|---|-----------------|--------|---------------|--------|----------------|
| K/M 18878.000.55 | Sheet music and concept holder for »Spider Pro« | This useful sheet music and concept holder attaches easily to the »Spider Pro« Models 18860 or 18840. The stable clamp with the ergonomic clamp lever allows a variable height adjustment. The angle is set using a mesh teeth joint, ensuring that it is securely in place. The distance and direction of the sheet music holder can be set using a clamping screw. The music desk is 296 mm high and 416 mm wide. The music desk can be removed separately with the sturdy K&M prismatic "V-block" connector.   | black           | 1 pcs. | 4016842828692 | normal | £ 59.95        |
| K/M 18880.000.55 | Table-style keyboard stand                      | Professional, black powder-coated aluminum keyboard stand. The stand is height-adjustable from 630 mm up to 960 mm. Can be used with stackers to hold additional keyboards.   | black           | 1 pcs. | 4016842112005 | normal | £ 132.75       |
| K/M 18881.000.55 | Stacker A                                       | Attachable to keyboard stand 18880 to hold an additional keyboard. Fully adjustable in tilt.  | black           | 1 pcs. | 4016842112012 | normal | £ 58.17        |
| K/M 18882.000.55 | Stacker B                                       | A versatile extension system for attaching additional keyboards to the keyboard stand 18880. Can be used with stacker A 18881. Fully adjustable in depth and tilt.  | black           | 1 pcs. | 4016842112029 | normal | £ 66.37        |
| K/M 18930.070.55 | Keyboard stand                                  | The new generation of X-Stands is comfortable and convenient. The ergonomic clamping mechanism makes setup or break down easy and fast. The robust metal joint can be adjusted in 5° intervals; the short intervals provide the user with a multitude of positions. With the assistance of a scale the user is able to easily find his preferred setting. Both of the back rubber end caps can be adjusted on their axis and as such can be adjusted perfectly to the width of the keyboard. The maximum support depth is 350 mm. The typical K&M quality characteristics, such as solid workmanship, high quality surface finishes and practical end caps to stabilize the stand on uneven surfaces complete off the overall concept.                  | black           | 1 pcs. | 4016842825356 | normal | £ 52.28        |

| K/M 18990.015.55 | Keyboard stand »Rick«    | Our best X stand - comfortable and extremely sturdy. The new design of the double brace stand tubes provides for perceptible stability and safety. The ergonomic clamping lever makes it easy to setup and collapse the keyboard stand. The robust metal joint is intermeshed in 5° steps and provides for a multitude of different positions. The scale provides the user with the option to always select their preferred setting. Both of the back rubber end caps can be adjusted on their axis and as such can be adjusted perfectly to the width of the keyboard. The maximum depth is 350 mm. The typical K&M quality characteristics such as solid workmanship, high quality powder coating and a useful adjustable end cap for uneven surfaces complete the overall concept and design. The stand can be expanded for a second keyboard with the 18941 stacker. | black           | 1 pcs. | 4016842827589 | normal | £ 72.97        |
| K/M 18993.015.55 | Keyboard stand »Rick 20« | Comfortable and extremely sturdy X-stand for stage pianos. The new design of the double brace stand tubes provides for perceptible stability and safety. The ergonomic clamping lever makes it easy to setup and collapse the keyboard stand. The robust metal joint is intermeshed in 5° steps and provides for a multitude of different positions. The scale provides the user with the option to always select their preferred setting. | K/M 19740.000.55 | Tablet PC holder       | A distinctive tensioning mechanism means this holder is suitable for attaching tablet PCs like iPad, iPad Air, iPad mini, Amazon Kindle, Amazon Fire, Samsung Galaxy Tab, Google Nexus, Asus Transformer or Microsoft Surface in size from 120 to 220 mm to a shaft diameter of max. 30 mm. The holder is equally suitable for tablets with a protective sleeve or case. A tension spring allows the tablet to be clipped in and removed from the holder easily and quickly. The adjustable, universal clamping jaw with integrated moss rubber protectors ensures a strong grip and eliminates undesired vibration sound problems. The holder does not affect the functioning of the operating controls. The felt-protected adjustable bracket provides extra security when the tablet holder is positioned vertically and prevents the tablet PC from falling, even under heavy use. The holder can be rotated to a position to suit all users and the rotation motion can be adjusted from easy to stiff with a clamping screw. The tablet holder can of course be switched between portrait and landscape format and potential slippage is prevented.   | black           | 1 pcs. | 4016842824571 | normal | £ 65.48        |
| K/M 19742.300.55 | Tablet PC stand holder | A universal tablet holder for microphone stands. The holder can be attached quickly and easily to any microphone stand with the 3/8" internal thread. A unique tensioning mechanism with a clamping width between 120 and 220 mm means the holder is suitable for holding securely all standard tablet PC models like iPad, iPad Air, iPad mini, Amazon Kindle, Amazon Fire, Samsung Galaxy Tab, Google Nexus, Asus Transformer or Microsoft Surface. The holder is especially suitable for tablets with a protective sleeve or case. A tension spring means the tablet can be clipped in or removed from the holder in no time at all. The universal clamping jaw with integrated moss rubber protectors ensures a secure hold and eliminates undesired vibration sound problems. The adjustable bracket with felt protectors and a rubber end cap provide additional stability when setting up the tablet holder in the portrait format - so that the tablet is prevented from falling from the holder, even when in use in the toughest of stage environments. The clamping jaw is adjustable, so the holder cannot impede the functioning of the operating controls. The tablet PC can of course be instantly switched between landscape and portrait format and independent rotation is prevented. | black           | 1 pcs. | 4016842824885 | normal | £ 43.71        |

| K/M 19745.015.55 | Smartphone holder       | With this universal holder you have your smartphone always at hand. The holder is suitable for all smartphones, such as e.g. iPhone 4, iPhone 6 Plus or Samsung Galaxy with widths ranging from 44 to 84 mm. Operation is quick and easy. Place the smartphone in the holder, press the grips together - and it's done. Simply by pressing a button the device can be removed. The clamps with integrated moss rubber guarantee a secure hold and eliminate unwanted vibration sounds. The exchangeable support pins are available in different sizes and can be adjusted to the needs of the individual smartphone, so that the operating elements of the respective device are easily accessible. The holder can be placed at any angle - between a vertical or horizontal position. The sturdy clamping element with an ergonomic knurled screw makes it easy to mount to any tube with a diameter of up to 30 mm. The flexible extension arm is 110 mm long - allowing the user to place it in virtually any position. | black           | 1 pcs. | 4016842827893 | normal | £ 32.65        |

| K/M 19776.300.55 | Tablet PC stand       | The combination of the stand and the tablet PC Holder supports you on stage, at home or in the studio. The unique clamp mechanism holds all common Tablet PC models such as iPad, iPad mini, Amazon Kindle, Amazon Fire, Samsung Galaxy Tab, Google Nexus, Asus Transformer or Microsoft Surface in size from 120 to 220 mm safe and secure. The holder is particularly suitable for the use of tablets with protective shields or cases. Thanks to a tension spring clamp a tablet can be attached and removed from the holder in a snap. The universal gripping device with integrated moss rubber guarantees a secure hold and eliminates unwanted vibration sounds. The additional adjustable bracket covered in felt and rubber caps provides additional safety when setting the tablet holder in the portrait format position, ensuring that the tablet PC does not dislodge from the holder even in the toughest of stage environments. The clamp grips are adjustable, ensuring that one can easily access the functions of the individual devices. The Tablet PC can be switched from the portrait to the landscape position and vice versa without slipping. The two-piece rod combination can be adjusted to any height between 700 and 1550 mm. The stand folds to a small and compact size for an easy transport. | black           | 1 pcs. | 4016842826520 | normal | £ 77.08        |

| K/M 19780.000.55 | Inclinable stand adapter | Using this stand adapter, loud speakers or sound columns can be mounted on speaker stands or wall mounts without the need for an incorporated flange. The mount is suitable for stands with a section diameter of 35 mm. The adapter can be tilted to 30° and adjusted to any height using the clamping screw. Assembly is easy as the swivel mount is first attached to the stand and then slotted into the bracket.  | black           | 1 pcs. | 4016842822515 | normal | £ 47.64        |
| K/M 19790.316.55 | Tablet PC stand holder   | Give your Tablet devices a safe and secure hold: The Universal Tablet Holder can be adjusted variably to accommodate different tablet sizes without needing tools and holds the devices securely and effectively for many different situations. Be it on stage, in rehearsal rooms or at home - thanks to the 3/8" female thread the holder can be attached to for example any microphone stand quickly and simply. The individually adjustable support arms can accommodate the use of tablets ranging in height from 222 to 334 mm and width from 128 to 232 mm (for example iPad, iPad Air, iPad Pro, Amazon Fire HDX 8.9, Samsung Galaxy Tab from 9.7, Google Nexus 9, Asus Transformer or Microsoft Surface as well as Surface Pro). The depth of the tablets can vary between 6 and 11 mm. For the first use of the tablet holder the support arms settings are made by adjusting the clamp screws to the size and depth of the tablet. For other uses the tablet can be attached and detached quickly and simply through a snap lock. This provides maximum flexibility and mobility. A handy wing nut allows one to adjust the angle, so that each user will easily be able to find their ideal individual position. The tablet can switch between portrait and landscape positions. The tablet is kept in place, there is no danger of the tablet switching position by itself. | black           | 1 pcs. | 4016842829316 | normal | £ 40.15        |

| K/M 21326.000.55 | Adapter sleeve                               | Polyamide. For speaker flanges with inside tube diameter 38 mm. May be attached to K&M speaker stands with tube diameter 35 mm.  | black           | 1 pcs. | 4016842216918 | normal | £ 2.05         |
| K/M 21329.025.55 | Adapter                                      | For speaker-satellite systems. The short 250 mm adapter is perfectly suited as a single rod or as an extension rod. The adapter with a tube diameter of 35 mm has a M20 male threaded bolt on the one end and a M20 female thread on the other end. With the adapter the rod can be expanded to any length.  | black           | 1 pcs. | 4016842826797 | normal | £ 29.62        |
| K/M 21330.900.55 | Extension rod                                | For speaker and light stands. One end has internal M10 thread, the other end has external M10 thread.  | black           | 1 pcs. | 4016842201983 | normal | £ 36.40        |
| K/M 21333.000.55 | Distance rod                                 | Connecting rod for satellite systems. Steel tubing.  | black           | 1 pcs. | 4016842202010 | normal | £ 18.73        |
| K/M 21334.000.55 | Distance rod                                 | Short steel rod with a M20 threaded bolt to connect to speaker-satellite systems. The diameter is 35 mm and the length is 880 mm.  | black           | 1 pcs. | 4016842202027 | normal | £ 26.58        |
| K/M 21334.050.55 | Distance rod                                 | Short steel rod with a M20 threaded bolt to connect to speaker-satellite systems. The diameter is 35 mm and the length is 500 mm.  | black           | 1 pcs. | 4016842811052 | normal | £ 26.58        |
| K/M 21336.000.55 | Distance rod                                 | Connecting rod for satellite systems. With spring-loaded locking screw and safety bolt. Steel tubing.  | black           | 1 pcs. | 4016842202058 | normal | £ 53.17        |
| K/M 21337.000.55 | Distance rod                                 | Steel tube combination to connect satellite systems. With bottom M20 thread to attach connector plate 24116. Zero backlash and absolute vertical position. Height adjustment with spring-loaded locking screw and safety bolt.   | black           | 1 pcs. | 4016842202072 | normal | £ 53.35        |
| K/M 21337.000.76 | Distance rod                                 | Steel tube combination to connect satellite systems. With bottom M20 thread to attach connector plate 24116. Zero backlash and absolute vertical position. Height adjustment with spring-loaded locking screw and safety bolt.   | pure white      | 1 pcs. | 4016842827398 | normal | £ 64.23        |
| K/M 21338.000.55 | Distance rod with hand crank                 | Solid steel tubing to connect satellite systems. Height-adjustment by hand crank. Extra safety features provided by additional push-button and locking screw to avoid uncontrolled reverse motion.   | black           | 1 pcs. | 4016842202089 | normal | £ 151.66       |
| K/M 21339.000.55 | Distance rod with hand crank                 | Same as 21338, but with thread bolt M20 for connector plate 24116 for zero backlash and absolute vertical position.  | black           | 1 pcs. | 4016842202096 | normal | £ 155.76       |
| K/M 21340.000.55 | Distance rod with hand crank and »Ring Lock« | An unstable satellite system – who needs it? Loudspeakers can be attached tightly and safely with the patented »Ring Lock« system. A comfortable hand crank allows you to adjust the height of even the heaviest of speakers both easily and safely. An M20 threaded bolt and the patented expanding mandrel guarantee a professional and exceptionally safe system. | black           | 1 pcs. | 4016842819119 | normal | £ 188.59       |
| K/M 21347.000.55 | Distance rod                                 | Steel tube combination to connect satellite systems. With bottom M20 thread to attach connector plate 24116. Zero backlash and absolute vertical position. Height-adjustable by locking screw and »safety-pin«.  | black           | 1 pcs. | 4016842211777 | normal | £ 46.03        |

| Product Code     | Description                        | Extended Description   | design (colour) | unit   | EAN           | Status | RRP<br>Inc VAT |
|------------------|------------------------------------|--|-----------------|--------|---------------|--------|----------------|
| K/M 21348.000.55 | Distance rod                       | Steel rod combination for connecting satellite systems. With additional plastic adapter for a clearance-free fit. Height adjustable by locking screw and »safety pin«.   | black           | 1 pcs. | 4016842810024 | normal | £ 43.89        |
| K/M 21356.000.55 | Distance rod with pneumatic spring | Stable and durable steel tube combination to connect satellite systems. Height adjustable in 5 positions from 1025 to 1545 mm. With spring-loaded bolt and locking screw for secure fit. The integrated 17 kg pneumatic spring makes it much easier to extend and retract the loud-speakers in a controlled manner. The distance rod comes with a mounting aid, which makes it much easier to mount and remove the loudspeaker.  | black           | 1 pcs. | 4016842827053 | normal | £ 164.51       |
| K/M 21357.000.55 | Distance rod with pneumatic spring | Stable and durable steel tube combination used to connect satellite systems. Height adjustable in 5 positions from 925 to 1445 mm. With spring-loaded bolt and locking screw for secure fit. The integrated 17 kg pneumatic spring makes it much easier to extend and retract the loud-speakers in a controlled manner. The distance rod comes with a mounting aid, which makes it much easier to mount and remove the loudspeaker. M20 threaded bolts are used to attach the 24116 connector plate, this provides a firm fit and absolute vertical position.  | black           | 1 pcs. | 4016842827060 | normal | £ 168.43       |
| K/M 21360.000.55 | Distance rod »Ring Lock«           | Steel connecting rod for satellite systems. Both ends fitted with a unique patented expanding mandrel system for a tight and firm fit for the base and satellite speaker. Moveable plastic splints separate the speaker from the stand creating a vibration-free connection. Easy to use ring lock.  | black           | 1 pcs. | 4016842816316 | normal | £ 69.94        |
| K/M 21364.000.55 | Distance rod »Ring Lock«           | Steel connecting rod for satellite systems. One end fitted with a unique patented expanding mandrel system for a tight and firm fit for the speaker. Moveable plastic splints separate the speaker from the stand creating a vibration-free connection. Easy to use ring lock. The other end of the rod features a threaded bolt M20 for connector plate 24116.  | black           | 1 pcs. | 4016842816323 | normal | £ 54.42        |
| K/M 21366.014.55 | Distance rod »Ring Lock«           | Unshakable and Stalwart! This high quality, height adjustable distance rod is a guarantee for a secure, stable and quiet connection to satellite systems. The height is adjusted by an easy-to-use spring-loaded bolt and locking screw. The unique patented expanding mandrel system provides a stable, tight and firm fit for subwoofers and satellite speakers. The movable plastic splints provide for a vibration-free connection between the rod and the speaker. Connecting the speaker is easy and is done using the handy ring lock - which is simply placed in position and screwed on.  | black           | 1 pcs. | 4016842826841 | normal | £ 106.52       |
| K/M 21367.014.55 | Distance rod »Ring Lock«           | Unshakable and Stalwart! This high quality, height adjustable distance rod is a guarantee for a secure, stable and quiet connection to satellite systems. The height is adjusted by an easy-to-use spring-loaded bolt and locking screw. The distance rod is connected to the subwoofer using the M20 threaded bolt. The unique patented expanding mandrel system provides a stable, tight and firm fit for satellite speakers. The movable plastic splints provide for a vibration-free connection between the rod and the speaker. Connecting the speaker is easy and is done using the handy ring lock - which is simply placed in position and screwed on. | black           | 1 pcs. | 4016842826858 | normal | £ 77.26        |

| K/M 21435.009.55 | Speaker stand                  | The standard speaker stand constructed from steel tubing has been significantly improved. The new legs with a tubing diameter of 35 mm and the large, fixed foot end caps guarantee stability and safety. Lasered bore holes and durable, robust plastic saddle washers improve the coefficient of friction between the legs and braces and prevent scratching of the finish. A compact clamp with a patented push-button system affords user-friendly stand height adjustment. The locking screw provides additional stability and vibration-free speaker mount. Additional features include a pull-out guard for the extension tube, the mounting aid and an integral anti-shock component.                    | black           | 1 pcs. | 4016842817788 | normal | £ 74.02        |
| K/M 21436.009.55 | Speaker stand                  | The standard speaker stand constructed from aluminum has been significantly improved. The new legs with a tubing diameter of 35 mm and the large, fixed foot end caps guarantee stability and safety. Lasered bore holes and durable, robust plastic saddle washers improve the coefficient of friction between the legs and braces, and prevent scratching of the finish. A compact clamp with a patented push-button system affords user-friendly stand height adjustment. The locking screw provides additional stability and vibration-free speaker mount. Additional features include a pull-out guard for the extension tube and an integral anti-shock component.   | black           | 1 pcs. | 4016842817795 | normal | £ 84.93        |
| K/M 21441.000.55 | Adapter sleeve »Ring Lock«     | Steel adapter sleeve attaches to speaker stands with tubing diameter of 35 mm, mounts with a locking screw. Integrated unique patented expanding mandrel system which provides a tight and firm fit for the speaker. The moveable plastic splints separate the speaker from the stand creating a vibration-free connection.  | black           | 1 pcs. | 4016842816286 | normal | £ 51.21        |
| K/M 21445.000.55 | Leveling leg for speaker stand | Adapt your speaker stand to the respective stage, studio or practice room using this leveling leg - a useful supplement for the following König & Meyer speaker stands: 21300-009-55, 21302-009-55, 21435-009-55, 21436-009-55, 21460-009-55, 21460-009-76, 21460-009-81, 21463-000-55, 21467-000-55 and 24630-009-55. With the help of this adapter you can easily level uneven surfaces, stairs, steps or sloped surfaces. The leveling leg is attached to one of the speaker feet and set using a clamping bracket. The required leveling length is variable and allows a height adjustment of max. 200 mm. If the surface is even, you simply leave the adapter in the initial position on the speaker foot. | black           | 1 pcs. | 4016842829194 | normal | £ 29.62        |
| K/M 21445.000.59 | Leveling leg for speaker stand | Adapt your speaker stand to the respective stage, studio or practice room using this leveling leg - a useful supplement for the following König & Meyer speaker stands: 21300-009-55, 21302-009-55, 21435-009-55, 21436-009-55, 21460-009-55, 21460-009-76, 21460-009-81, 21463-000-55, 21467-000-55 and 24630-009-55. With the help of this adapter you can easily level uneven surfaces, stairs, steps or sloped surfaces. The leveling leg is attached to one of the speaker feet and set using a clamping bracket. The required leveling length is variable and allows a height adjustment of max. 200 mm. If the surface is even, you simply leave the adapter in the initial position on the speaker foot. | red             | 1 pcs. | 4016842829538 | normal | £ 29.62        |
| K/M 21449.000.55 | Speaker stand package          | Two easy-to-carry speaker stands made of high quality aluminum in a carrying case. Fiberglass-reinforced fittings and a compact clamp with a patented push-button system affords user-friendly height adjustment and ensures stable support for the speakers. The leg construction adjusts by an easy-to-use clamping lever.   | black           | 2 pcs. | 4016842827558 | normal | £ 162.72       |

| K/M 23850.311.55 | Microphone desk arm                   | Our popular, smooth-running microphone desk arm with 3/8" or 5/8" thread connector for sound studios and multimedia work stations with a new innovative table clamp. Easy to position and suitable for microphones to max. 0.8 kg. The 5 m long microphone cable with a 3 pin XLR plug connector is included in the delivery. Having a clamping range of 0 to 48 mm the clamp is suitable for a wide spectrum of mounting. The stable metal construction with high quality plastic inserts guarantees secure and strong hold. The cleverly shaped clamping parts allow the clamp to be used on smooth surfaces and round-shaped tubes. The microphone arm can also be fixed with the table flange 23855 available as an optional extra.  | black           | 1 pcs. | 4016842821532 | normal | £ 107.05       |
| K/M 23855.000.55 | Table flange                          | Suitable for microphone arm 23850 and 23860.   | black           | 1 pcs. | 4016842216512 | normal | £ 18.02        |
| K/M 23860.311.55 | Microphone desk arm                   | This exclusive microphone arm with a 3/8" or 5/8" thread connector in a modern design with a new innovative table clamp for quick and easy positioning of a microphone in the studio or at a multimedia work station. The 6 m long internally guided microphone cable has a 3 pin XLR plug connector. Microphones to max. 1.5 kg are easily held in any position. The clamping width of 0 to 48 mm allows the clamp to be attached to a wide variety of surfaces. The stable metal construction with high quality plastic inserts guarantees secure and strong hold. The cleverly shaped clamping parts allow the clamp to be used on smooth surfaces and round-shaped tubes. The microphone arm can also be fixed with the table flange 23855 available as an optional extra.   | black           | 1 pcs. | 4016842821549 | normal | £ 197.16       |
| K/M 23910.000.55 | Quick-Release Adapter for microphones | The König & Meyer Quick Release Adapter makes quickly switching of microphones or other accessories on stage or in studio easier. The adapter consists of two components. The lower section is screwed into the 3/8" or 5/8" microphone stand thread, and the upper section is screwed on using a 3/8" or 5/8" microphone clamp or holder or to other accessories. The lower section ensures the secure and flexible hold of the upper section through 8 punched bore holes. The upper section is used to remove or click the microphone into place using the quick-release adapter. By pressing the scored plastic handle on the upper section both sections can either be disconnected or clicked in place. The adapter is made of high-quality aluminum. A thread adapter is included with the delivery for 5/8" threading. Both adapter components can be left attached to the stand i.e. on the microphone/accessories. | black           | 1 pcs. | 4016842826506 | normal | £ 16.59        |
| K/M 23956.000.55 | Popkiller                             | The K&M Popkiller - a world-wide classic. For stands with diameter of up to 30 mm. Double nylon screen for superior performance. Unobtrusive black round filter frame. Non-marring locking screw prevents scratching of mic stand.   | black           | 1 pcs. | 4016842203901 | normal | £ 25.32        |
| K/M 23966.000.55 | Popkiller                             | The large Popkiller for modern studio engineering. The large 200 mm nylon screen guarantees optimum sound filtering during studio recording. The Popkiller with flexible gooseneck can be screwed to all standard microphone stands (rod diameter max. 30 mm).   | black           | 1 pcs. | 4016842806379 | normal | £ 34.00        |
| K/M 24010.314.55 | Microphone arm                        | Attaches to stands with diameter from 15 to 30 mm. With prismatic clamp connector. Comes complete with adjustable and swiveling boom arm with 3/8" thread.   | black           | 1 pcs. | 4016842827633 | normal | £ 35.33        |

| K/M 24630.009.55 | Lighting stand               | The standard lighting stand constructed from steel tubing has been significantly improved. The new legs with tubing diameter of 35 mm guarantee stability and safety. Lasered bore holes and durable, robust plastic saddle washers improve the coefficient of friction between the legs and braces, and prevent scratching of the finish. A compact clamp with a patented push-button system affords user-friendly stand height adjustment. The locking screw provides additional stability. The integrated M10 thread adaptor can be used to attach the crossbars 213/9 and 21393. | black           | 1 pcs. | 4016842818280 | normal | £ 110.62       |
| K/M 24637.000.55 | Side crossbar                | Accommodates 4 spot lights. Light-weight aluminum tubing with tube-diameter 36 mm.   | black           | 1 pcs. | 4016842212002 | normal | £ 37.29        |
| K/M 24640.009.55 | Lighting stand               | Extending to over 4 m, this lighting stand is for professional use. The new zinc die-cast clamps and the larger steel leg tubing give this top of the range stand more stability. The infinitely variable non-marring height adjustment can be reinforced with two safety rings. A variety of crossbars may be attached using the M10 thread adaptor.  | black           | 1 pcs. | 4016842818235 | normal | £ 252.29       |

|------------------|-------------------------------|--|-----------------|--------|---------------|--------|----------------|
| K/M 24645.000.55 | Lighting stand                | Light and stable aluminum lighting stand. The 3-piece extension reaches a height of 3,097 mm. The transport dimension of the collapsed lighting stand is only 1,170 mm. Compared to other lighting stands the transport size is very economical. The integrated M10 socket provides for the installation of a single lighting fixture or the use of different crossbars. Additional locking rings provide for more safety and expanded functionality. Thanks to the integrated adapter, loudspeakers can also be attached to the stand using 36 mm flange bushings.          | black           | 1 pcs. | 4016842829057 | new    | £ 142.74       |
| K/M 25200.300.55 | Microphone stand              | Three-piece telescoping shaft. Metal, non-marring height-adjustment mechanisms, complete with boom arm.  | black           | 1 pcs. | 4016842205004 | normal | £ 78.86        |
| K/M 25400.300.55 | Microphone stand              | Entry-level, low-priced microphone stand. The practical swivel joint allows the one-piece boom arm to be simultaneously positioned for tilt and length. Thanks to a low weight of only 1.85 kg, it is particularly suitable for the mobile musician. The stand requires little space as its base diameter is only 660 mm. The large foot end caps help to make the stand stable and reduce unpleasant transmission noise.  | black           | 8      | 4016842809424 | normal | £ 26.52        |
| K/M 25500.300.55 | Microphone stand              | Low-level stand with folding base, complete with long, 2-piece extendable boom arm.  | black           | 1 pcs. | 4016842213856 | normal | £ 78.33        |
| K/M 25600.300.55 | Microphone stand              | High-quality microphone stand with telescopic boom arm. Die-cast base with folding legs. Unique design retains all screws and levers without tension. Patented clamping lever can be fixed in any position, for holding mic cable, etc.  | black           | 1 pcs. | 4016842205202 | normal | £ 99.20        |
| K/M 25680.300.55 | One hand microphone stand     | With the unique »Soft-Touch« one-hand clutch the height can be adjusted with a quick squeeze to easily raise and lower the mic. Metal base with foldable legs for compact transport. Quality black powder coating is extremely durable.  | black           | 1 pcs. | 4016842807031 | normal | £ 67.44        |
| K/M 25800.311.55 | Table microphone clamp        | This variable microphone clamp has everything you need. A sophisticated mechanism allows the clamp to be rotated 360°. At the same time the height and position can be varied as required. A supplementary extension tube can be used for an even greater range. The clamping width of 0 to 48 mm allows the clamp to be attached to a wide variety of surfaces. The stable metal construction with high quality plastic inserts guarantees secure and strong hold. The cleverly shaped clamping parts allow the clamp to be used on smooth surfaces and round-shaped tubes. | black           | 1 pcs. | 4016842821518 | normal | £ 49.96        |
| K/M 25900.300.55 | Microphone stand              | Low-level, telescopic stand with foldable legs. Comes with 2-piece boom arm.   | black           | 1 pcs. | 4016842213887 | normal | £ 65.58        |
| K/M 25900.370.87 | Microphone stand »Soft-Touch« | Low-level, telescopic stand with foldable legs. Comes with 2-piece boom arm. Attractive gray Soft-Touch powder coating.  | gray            | 1 pcs. | 4016842806102 | normal | £ 72.80        |
| K/M 25910.300.55 | Microphone stand              | Extra low design for bass drums or special use. Die-cast base with folding legs. Comes complete with boom arm.   | black           | 1 pcs. | 4016842205356 | normal | £ 53.04        |
| K/M 25910.300.87 | Microphone stand »Soft-Touch« | Extra low design for bass drums or special use. Comes complete with boom arm. Attractive gray Soft-Touch powder coating.   | gray            | 1 pcs. | 4016842803491 | normal | £ 58.70        |
| K/M 25950.300.55 | Microphone stand »Rien«       | Extra low design for bass drums or special use. Very short and heavy legs provide maximum stability. Legs are foldable for easy transport. Comes with two-piece boom arm 21140.  | black           | 1 pcs. | 4016842215973 | normal | £ 60.84        |
| K/M 25960.300.55 | Microphone stand              | Low profile round-base mic stand with telescopic boom arm, designed for bass drums and acoustic instruments. | K/M 26085.300.55 | One hand microphone stand           | With the unique »Soft-Touch« one-hand clutch the height can be adjusted with a quick squeeze to easily raise and lower the mic. Sleek, flat, cast-iron base is very stable and durable. Quality black powder coating is extremely durable.   | black           | 1 pcs. | 4016842806997 | normal | £ 60.28        |
| K/M 26125.300.55 | Microphone stand                    | Perfect presentation and function: this heavy duty, large round base microphone stand is impressive both for the studio and on stage. The robust and tall tubing combination with the slim clutch provide a very tight and secure connection. A full circle anti-vibration rubber damping ring prevents unwanted floor vibration impacting the sound. The formidable base scores additional points for its clean design, visually appealing plastic covering and advanced functionality - and the integrated metal plate makes the stand extraordinarily stable. In addition, due to the extremely solid and stable base, an extendable boom arm can also be installed on the stand. | black           | 1 pcs. | 4016842823512 | normal | £ 57.81        |
| K/M 26145.300.55 | Microphone stand                    | Significant Stand Point! The larger tubing reaches a height of 1.7 m and as such is well suited for taller individuals. The sleek clutch provides for user friendly height adjustment and it is easy to fix in place. A very heavy round cast-iron base with a diameter of 300 mm provides the stand with both exceptional stability and a small footprint. The circular rubber insert ring filters foot step sounds and reduces the transmission of unwanted sounds. The stand weighs 6.2 kg and is equipped with an extendable boom.   | black           | 1 pcs. | 4016842824762 | normal | £ 94.21        |

|------------------|--|---|------------------|--------|---------------|--------|----------------|
| K/M 26200.300.55 | One-hand microphone stand<br>»Elegance«    | The new star in your show!<br>The avant-garde, one-hand microphone stand is setting new standards in design and function. The elegant combination of triangular-shaped sections and the new design of the slender one-hand adjustment mechanism go harmoniously with standard microphone clips and microphones. The integrated knurled screw is impossible to lose and makes tightening and positioning the microphone clip easy. The stand's simple elegance loses nothing by the addition of König & Meyer's classic swivel arm. The height of the stand can be adjusted soundlessly, simply and easily using the unique one-hand clutch. The stand is significantly lightweight, but nonetheless stable due to the ingenious round base with an integrated steel plate with an attractive plastic cover. The base's circumferential rubber profile reduces undesirable vibration and footfall noise even when the stand is tilted far over to the side. Damage to flooring (e.g. parquet) is also prevented. | black            | 1 pcs. | 4016842823802 | normal | £ 110.44       |
| K/M 26250.300.55 | One-hand microphone stand<br>»Performance« | The practical one-hand microphone stand »Performance« impresses through its reliability and functionality. The stable combination of high quality round-shaped rods and the elegant one-hand adjustment present a harmonious overall appearance. Also in connection with the classic König & Meyer expandable boom, the stand's elegant design is not diminished in any way. With the practical one-hand system the height of the stand can be adjusted smoothly and silently (no scratching noises). The ingenious steel base with its elegant plastic cover provides more stability even though the base is much lighter. A circular rubber insert ring on the base also reduces unwanted vibrations and foot traffic noise, even when the stand is placed in extreme positions. In addition, the floor (e.g. wood floor) is protected from possible damage.  | black            | 1 pcs. | 4016842826346 | normal | £ 95.99        |
| K/M 26700.000.56 | Base plate                                 | Flat round base suitable for all common distance rods and rod combinations using a M20 threaded bolt. The diameter of the round base is 450 mm. Felt strips for floor protection are included. Optional carrying case 26751 is available.   | structured black | 1 pcs. | 4016842828142 | normal | £ 71.01        |
| K/M 26703.000.56 | Base plate                                 | The smallest base plate from the K&M series is only 410 x 410 mm in size and weighs 7 kg. Thanks to the integrated socket, the base plate is compatible with all common distance rods and tube combinations with M20 threaded bolts. Additional useful advantages include a practical integrated handle, a cable management and four stable feet covered in felt. With the included wrench the tube combination can be setup to individual specifications.  | structured black | 1 pcs. | 4016842100439 | new    | £ 113.30       |
| K/M 26704.000.56 | Base plate                                 | The external dimensions of the medium-sized base plate are 480 x 480 mm and it weighs 10 kg. All common distance rods and tube combinations with M20 threaded bolts can be used with this base plate. Additional useful advantages include a practical integrated handle, a cable management and four stable feet covered in felt. With the included wrench, the tube combination can be setup to individual specifications.  | structured black | 1 pcs. | 4016842100583 | new    | £ 124.90       |

| K/M 26720.000.55 | Monitor stand             | Steel stand for monitors with 3-leg base, stable and solid. Height adjustable with a non-scratching locking screw and additional safety pin, internal cable routing possible.  | black           | 1 pcs. | 4016842816224 | normal | £ 82.61        |
| K/M 26734.000.55 | Speaker stand             | This speaker stand with a flat base plate is stable and compact and does not take up much space. The robust tube combination can be extended to 1.81 m and can support loudspeakers up to 20 kg. The spring-loaded bolt with locking screw provides for comfortable and safe height adjustment. The inconspicuous flat steel plate provides sufficient stability. Additional useful features include a practical integrated handle, a cable management and four stable feet covered in felt. With the included wrench, the tube combination can be set up to individual specifications.  | black           | 1 pcs. | 4016842100675 | new    | £ 190.91       |
| K/M 26735.000.55 | Speaker stand             | A decorative space saving speaker stand. The heavy cast iron plate with a relatively small diameter requires little space. The tried-and-tested spring-loaded bolt with locking screw makes height adjustment easy and safe. The stand has a maximum pull-out height of 1800 mm and is suitable for speakers with a maximum weight of 20 kg. The integrated mounting aid simplifies mounting the loud speaker cabinets.  | black           | 1 pcs. | 4016842810710 | normal | £ 119.19       |
| K/M 26735.000.76 | Speaker stand             | A decorative space saving speaker stand. The heavy cast iron plate with a relatively small diameter requires little space. The tried-and-tested spring-loaded bolt with locking screw makes height adjustment easy and safe. The stand has a maximum pull-out height of 1800 mm and is suitable for speakers with a maximum weight of 20 kg. The integrated mounting aid simplifies mounting the loud speaker cabinets.  | pure white      | 1 pcs. | 4016842827206 | normal | £ 128.11       |
| K/M 26736.000.55 | Distance rod              | Steel tube combination to connect satellite systems. With bottom M20 thread to attach connector plate 24116. Zero backlash and absolute vertical position. Height adjustment with spring-loaded locking screw and safety bolt.   | black           | 1 pcs. | 4016842813773 | normal | £ 61.56        |
| K/M 26737.000.55 | Speaker stand »Ring Lock« | A decorative speaker stand with a unique patented expanding mandrel system that provides a stable, tight and firm fit for speakers. The movable plastic splints provide for a vibration-free connection between the rod and the speaker. Connecting the speaker is easy and is done using the handy ring lock - which is simply placed in position and screwed on.. The heavy cast iron plate with a relatively small diameter requires little space. The tried-and-tested spring-loaded bolt with locking screw makes height adjustment easy and safe. The stand has a maximum pull-out height of 1.800 mm and is suitable for speakers with a maximum weight of 20 kg. | black           | 1 pcs. | 4016842828128 | normal | £ 148.63       |
| K/M 26740.000.55 | Monitor stand             | Stable steel stand for monitors with broad completely level round cast-iron base-diameter 450 mm. Rod combination height adjustable using clamping screw and safety splint. For the direct attachment of monitors with 3/8" threaded joint (thread length 12 mm) or to screw in a connector plate 205 x 245 mm for Genelec monitor 1030 or monitors by other manufacturers. Includes 4 thread points and 4 rubber knobs.   | black           | 1 pcs. | 4016842805419 | normal | £ 134.89       |
| K/M 26747.000.55 | Projector tray            | The practical projector tray can be used universally for projectors, monitors and for other equipment. The tray's dimensions are 420 x 380 mm. The flange adapter dimension is $\varnothing$ 36 mm and the clamp nut connects to the loud speaker stands or other stands with a corresponding tube diameter.   | black           | 1 pcs. | 4016842825349 | normal | £ 65.48        |

| K/M 26751.000.00 | Carrier bag for round base | In response to customer demand, we have designed a robust bag for our heavy round base. The tear-proof, high quality linen-look nylon fabric is also water-repellent. The bag has two strong hand straps to carry the 7.5 kg cast metal base.  |                  | 1 pcs. | 4016842820740 | normal | £ 22.48        |
| K/M 26782.000.56 | Screen/Monitor stand       | A representative screen/monitor stand with a beautifully designed heavy cast iron base. The assembly accessories provided with the product allow one to set up according to the VESA Standard for 24" to 46" flat screens. The large tubing saves space by providing a place to organize and store the cables. The height can be adjusted in steps using an ergonomic height adjustment screw.   | structured black | 1 pcs. | 4016842825387 | normal | £ 409.12       |
| K/M 26783.000.56 | Screen/Monitor stand       | A high degree of stand stability and easy handling are the special characteristics of this impressive screen/monitor stand. The universal mount allows one to set up according to the VESA Standard for 42" to 65" flat screens. Two strips are screwed to the back of the screen/monitor, which is then attached to the wall mount. The large tubing saves space by providing a place to organize and store the cables. The height can be adjusted in steps using an ergonomic height adjustment screw. The integrated adjustable feet stabilize the stand on uneven surfaces, providing for stability. | structured black | 1 pcs. | 4016842825394 | normal | £ 428.03       |
| K/M 26785.000.56 | Design monitor stand       | Steel stand for the Genelec 8000 monitor series. This stable elegant stand has a 420 x 420 mm cast base with an oversized rod combination. Gradual height adjustment is made by a superior positioning and clamping knob. Quick, uncomplicated mounting of the monitor is accomplished using the suspension device.  | structured black | 1 pcs. | 4016842815128 | normal | £ 253.36       |

|------------------|------------------------------------|---|-----------------|--------|---------------|--------|----------------|
| K/M 44000.000.00 | SpaceWall®                         | The SPACEWALL® shop-fitting system can be individually implemented in already existing shops or in complete new stores. You can choose for example from following surface finishes for your slatwall: unfinished or paint finished surface or a painted wall according to your desired RAL/NCS color. You also have the choice between a melamine resin coated surface in the colors white, grey, ivory or cream-white or a plastic-laminated slatwall in either white E110 MP or grey E 6 MP. Further possibilities are metallic or acrylic mirror designs or wood veneer finishes like pine, spruce, maple or alder. Further finish variations on request.<br>We offer you the following slat widths: 53.1 mm, 76.3 mm, 88.0 mm*, 101.8 mm, 152.6 mm, 203.5 mm, 244.2 mm, 305.3 mm.<br>Head pieces and bases can be produced on request. Ask for special design variations and other sizes for your slatwall! *Size 2430 mm x 1210 mm or 1210 mm x 2430 mm. |                 | 1 pcs. | 4016842401208 | normal | £ -            |
| K/M 44060.000.55 | Adapter for product holder         | With this practical adapter now it is simple and easy to attach all SpaceWall® product support arms/holder to any normal wall. The frame is attached to the wall using 3 screws. The product support arms can then be directly attached and removed. An additional security screw ensures that the product support arm is stable and held in place. The adapter makes it easy to quickly change or exchange different product support arms. If a product support arm is not needed, only the flat inconspicuous housing remains on the wall.  | black           | 1 pcs. | 4016842826513 | normal | £ 4.82         |
| K/M 44110.000.55 | Product support arm                | Suitable for heavy products. Telescoping from 261 to 461 mm, 23° tilt angle. Black powder-coated with felt pads.  | black           | 1 pcs. | 4016842401215 | normal | £ 20.70        |

|------------------|------------------------------------|---|-----------------|--------|---------------|--------|----------------|
| K/M 44186.000.55 | Product holder for acoustic guitar | Mount to hang acoustic guitars on slat walls. Features flexible support arms for neck and body for a perfect presentation of the instrument. Support arms are covered with non-marring rubber to protect the instrument.  | black           | 1 pcs. | 4016842814589 | normal | £ 60.31        |
| K/M 44192.000.55 | Universal holder                   | Stable holder for slat walls for all K&M instrument pegs with threaded bolts M5. Wall distance 140 mm.  | black           | 1 pcs. | 4016842401369 | normal | £ 9.46         |
| K/M 44195.000.55 | Product holder for headphone       | A new holder for the SPACEWALL® shop design system for the professional presentation of headphones and ear phones. This soft, rubber support can easily hold 2 pairs of standard headphones. In addition, 2 pairs of in-ear headphones can be hung conveniently on the slotted side of the holder – giving maximum attention to headphones.   | black           | 1 pcs. | 4016842821259 | normal | £ 15.70        |
| K/M 44210.000.55 | Product holder for violin          | The new König & Meyer violin holder allows the safe and practical presentation of the instrument on a display unit. The violin is not held by its neck but by the curved end of the peg box. The depth of the holder means it is virtually impossible to remove the instrument inadvertently nor can it fall from the holder. The bow holder integrated at the side allows the violin and bow to be picked up comfortably and easily. The durable flocked covering is protection for the violin and perfectly complements this quality product. | black           | 1 pcs. | 4016842821006 | normal | £ 21.23        |
| K/M 44220.000.55 | Product holder for ukuleles        | Product holder for ukuleles. Rubber coating protects instruments from scratches.  | black           | 1 pcs. | 4016842828746 | normal | £ 18.91        |
